

NH Charitable Foundation Grant for OLLI

OLLI at Granite State College is the recipient of a \$15,000 grant from the NH Charitable Foundation to be used for a member development training program for OLLI volunteers. Sue Staples, former OLLI Program Director, will work with OLLI members and staff to develop a volunteer program model that will assure the sustainability of OLLI as a member-driven organization.

The process will kick off with half-day meetings in all four sites devoted to tapping the power of volunteers and building successful volunteer committees. In the spring, three sites will host a skill-building workshop facilitated by local experts: "Oh No - Not Another Meeting," "Telling Our Story," and "Working as a Team".

The programs will be open to all current volunteers and any member who loves OLLI and wants to work toward its growth and sustainability.
