

## **OLLI Fall Update**

OLLI is offering 54 non-credit courses on Zoom in fall 2020. Participation does not require college prerequisites, tests, or grades.

Need some help learning how to Zoom? No problem- participate in a free Zoom 101 course with OLLI. We'll show you how it's done! Our single session Zoom courses are available to members and nonmembers and you may repeat them as often as you like. Over 300 people have participated in Zoom 101 since it was first offered March 2020.

Virtual social events, volunteer opportunities and cost-free Lunch and Learns and the OLLI Outlook newsletter enhance member benefits and provide outlets to help older adults remain active and purposeful.

This is what lifelong learning is about! Please join us in the fall.

Come for classes and Zoom with your friends!
